What a difference the sun makes and wow what beautiful beach weather we’ve had recently. I do hope you are enjoying the heat together with all the exciting sporting events taking place this year. World cup cricket has swept the nation in a big frenzy and it’s lovely to see children talking passionately about the game and in a positive competitive spirit. We really are lucky to be exposed to a great summer of cricketing, tennis and football events.

But, whether you are out and about watching the cricket or tennis, please do take special care in the heat. Please ensure your child is appropriately dressed. It is crucial that children dress in cool clothing during the hot weather. Please do not overdress them in layers, jumpers, tights and please do buy sunhats, sunglasses—and most importantly please encourage them to keep hydrated.

AND....Please, Remember....Send in water bottles every day to school!

The school was a lovely sea of Green on Monday 1st when we held a GO Green for Clean Air Day.

Children had a beautiful special theme lunch when everything on the menu was GREEN!

And all this to encourage, promote and take action on the sustainable Global Goals and children’s rights outlined in the UNCRC (United Nations Convention for the Rights of the Child).

Message from Sakshi...."HOW DO WE PREVENT AIR POLLUTION IN OUR SCHOOL?

AIR POLLUTION IS VERY BAD INJURIOUS TO YOUR HEALTH AND IS VERY HARMFUL TO ALL HUMANS. WE HAVE TAKEN MANY STEPS TO PREVENT AIR POLLUTION FROM BECOMING A BIG ISSUE.

FIRSTLY, WE DO WALK TO SCHOOL WEEK WHERE WE LEARN ABOUT SUSTAINABLE TRAVEL. THE SOLUTIONS WE DO IN OUR SCHOOL TO PREVENT AIR POLLUTION ARE: WE ALL PLANT FLOWERS AND TREES IN OUR GARDENS WHICH IS GOOD TO REDUCE AIR POLLUTION. ON THE OTHER HAND THE TEACHERS DO ASSEMBLIES TELLING US ABOUT HOW WE CAN TRAVEL ON PUBLIC TRANSPORT AND USE LESS VEHICLES ON THE ROAD”.

GO GREEN
For Clean Air Day!
raised £328.15

Go Green Day raised £328.15 which will be donated on your behalf to Unicef.

And another great Unicef cause which caught my attention as I followed the cricket world cup was Unicef’s quest to help children less fortunate than ours to play, learn & be healthy. Supported by the famous Sachin Tendulkar, ambassador for the cause for Unicef this is a very worthy cause to support - check out the link in the picture on the left.

REGU Survey - Thank you for your replies

We would like to thank all parents for their support in reviewing the school’s Relationship Education and Growing Up curriculum. Attendance at workshops and presentations this year has enabled us to take your views into account. Thank you to all those who completed the survey. Although the deadline has gone, if you would still like to complete the survey, please do so in the next day or so, using the link below: https://www.surveymonkey.co.uk/r/HambroughRSE
Lessons have been run on the playground where children experienced outdoor Spanish learning sessions through games. Traditional games in Spanish teach about culture as well as language. Many traditional Spanish speaking games have rhymes and songs that children memorize and recite as they play. In addition, traditional playground games in Spanish are active, and we know movement enhances language learning and also keeps the children strong and healthy. Jumping a rope, running and reciting rhymes is a fun way to learn a language, and there are lots of Spanish speaking games for children of all language levels. Thank you everyone for a great Spanish Day!. Mr Dorado
Year 2 were delighted to take part in a concert organised by Ealing Music Service on Thursday 20th June. The children had been practising their songs since February and finally had the chance to sing them with a live orchestra, conducted by the one and only Mr Jones who was gladly welcomed back to Hambrough for the day. ‘The Four Friends’ was written by local composer Liz Sharma who also joined us as part of the orchestra on the day but unfortunately couldn’t play her favourite instrument the saxophone as she had hurt her arm. Having an injury didn’t stop her though because she played the recorder instead!

‘The Four Friends’ is a story about four animals, all with very different skills, who work together to help each other & keep each other safe. It is based on an Indian story from the ‘Panchatantra’, which is a set of stories along the lines of Aesop’s fables. The other forest animals also comment on the events, and this provided the opportunity for art work, as the children created and wore their own animal masks.

The messages behind the story of ‘The Four Friends’ were:

- Friendship (one of our school values)
- Collaboration (one of our learning dispositions)

Year 2 teachers would like to say a huge thank you to parents for their support with providing clothes for the concert and also giving their child time to practise the songs on Hambrough DB at home. Finally, Year 2 staff and children would like to thank Mr Davis for helping the children to prepare for the concert and Mrs Singleton plus the Ealing Music Service for organising the event.

Comments from Year 2 children:

Unika, Year 2 Turquoise Class - ‘On Thursday it was our Four Friends concert. I was filled with excitement when it was finally the day to perform.’

Simranjit, Year 2 Turquoise Class - ‘I was so excited because we got the best conductor and that was our old music teacher Mr Jones!’

Simran, Year 2 Turquoise Class - ‘The composer who wrote the story was Liz Sharma. I was so impressed that Liz Sharma wrote all the story, lyrics and music for the orchestral!’

Kate, Year 2 Purple Class - ‘I was so amazed by the concert because everyone worked so hard and in the end we made the audience smile.’

Akszha, Year 2 Purple Class - ‘I felt nervous when I saw the huge audience but in the end I was feeling joyful because dad took a photo after such an exhausting performance.’

Mohamed, Year 2 Purple Class - ‘My favourite part of the concert was when we sang Peace in the Forest because it was calming and peaceful.’

Jayson, Year 2 Purple Class - ‘Our parents came to watch us perform, everybody was bursting with happiness because they were proud.’
Science Week was enjoyed by all week beginning 24th June. We even had some furry (& not so furry!) friends visiting us! The theme this year was journeys, and as a school we looked at different journeys in different year groups:

- There was a special assembly when children learnt about various career journeys in the field of Science. On Friday 21st June, all key stage 1 and 2 children were able to meet different professionals from STEM (Science, Technology, Engineering & Maths) subjects. Children played a ‘Guess who?’ game, where they had to use closed questions and guess what professions people came from. We had a physiatrist, dentist, complaints officer from dentistry, coding teacher, chemical engineer and a biochemical engineer. Children also got an opportunity to interview them again in the classrooms. Children were also given talks on future career paths from Villiers Sixth Form students.

- CHICKS in reception were born, fed and looked after by the reception children and staff. The children looked at the lifecycle of the chicken. Other year groups also joined in with learning of this life cycle.

- A visit from Animals UK - where we were visited by a skunk, snake (python), tarantula, tortoise and lizard. Children were able to hold and feel the animals as well as find out about their habitats, diets and adaptations. The children and staff loved the overall experience.

- Year 5 had a virtual reality workshop, where they experienced going into space and exploring the outer solar system.

- On Wednesday 26th June, 8 Hambrough pupils went to Ellen Wilkinson Science Fair and represented us with their Science projects. The children involved were: Indira, Priya, Gukapiyan, Vidhushan, Vanshika, Esher, Sakshi and Hetvi. We came home with an award for 2nd place in chemistry for Indira and Priya’s project on ‘Which liquid cleans the coin the best?’ Well done to all the children who participated.

- All other year groups, explored other journeys within science such as the journey of evolution, the journey of electricity into our homes, the journey of light into our homes, the journey of plastic and many more.
Welcome....our Furry (& not so furry) friends
Heera had a great time being "chick-minder" for a weekend when she took the chicks home for a weekend. What a magical experience that must have been for her. Short of taking them out shopping she was responsible for their total care during the weekend. Here she is cleaning out and making their nest—which obviously she did wearing protective gloves. Thank you Heera for looking after our new-born visitors.
Ealing BMX Summer Camp

BMX Track, Gurnell Leisure Park Ruislip Road East W13 0AL

EALING BMX SUMMER CAMP

19 August 2019 – 23 August 2019

MON – FRIDAY
10 – 11.30am
Age 5 – 10 all abilities*

MON – WED – FRIDAY
11.45am – 1.15pm
Expert Riders

TUES AND THURS
11.45 – 1.15pm
Wingz BMX for Riders with Additional Needs

MON – FRIDAY
2 – 3.30pm
Age 11 + all abilities*

£2 a session
*must be able to ride standard bike

Register on line at
https://ealingbmx.wixsite.com/ealingbmx
to secure your place
or turn up on the day and take a chance.

Supported by Ealing Ward Forums
Southall School’s Fun Run

Run, Skip, Jog or Walk - Take part & have fun

Saturday 6th July 2019 – 10am Start

Prizes for fastest boys & girls in Years 4, 5 and 6
Trophy for the school with the largest attendance

Medals and certificates for all participants

Register at:

Schools across London are taking part in a very special learning project - a project led by globally renowned artist, Steve McQueen, with the Tate gallery, Artangel and the educational charity A New Direction.

EVERY YEAR 3 CLASS ACROSS LONDON has been invited to take part in one of the largest group portraits ever made and to see their class photograph among thousands of others in a vast exhibition at the prestigious Tate Britain in central London.

Our school is delighted to be a part of this and is excited about seeing our Year 3 class photograph(s) become part of one of the most compelling British artworks of our time. After the class photograph has been taken, it will appear as part of the free public exhibition at Tate Britain from November 2019 until May 2020 along with thousands of other class photographs from primary schools London-wide.

WE NEED ALL CONSENT SLIPS TO BE RETURNED SO THAT OUR YEAR 3 PHOTOGRAPH CAN BE PART OF THIS HISTORIAL PROJECT.
PLEASE RETURN THE SLIP TO YOUR CHILD'S TEACHER IF YOU HAVEN'T DONE SO ALREADY. For more information,
see https://www.tate.org.uk/whats-on/tate-britain/exhibition/steve-mcqueen-year-3
**DIARY DATES**

05/07/19  -  NURSERY TRIP TBC
05/07/19  -  REPORTS COMING HOME
10/07/19  -  KS1 SPORTS DAY IN THE PLAYGROUND
10/07/19  -  Y6 PRODUCTION—DRESS REHERSAL
11/07/19  -  ATHLETICS Y5/6 @PERIVALE ATHLETICS GROUND
11/07/19  -  Y3 VISIT WETLAND CENTRE
12/07/19  -  Y6 PRODUCTION PERFORMANCE—EVENING EVENT
12/07/19  -  NURSERY GRADUATION PARTY
12/07/19  -  RECEPTION CELEBRATION EVENT
12/07/19  -  YEAR 5 WATCHING A MUSIC CONCERT AT VILLIERS HIGH
15/07/19  -  MOVING UP MORNING
16/07/19  -  Y2 TRIP TO HANWELL ZOO
17/07/19  -  Y6 LEAVERS LUNCH
18/07/19  -  MUSICAL CONCERT—GUITAR ENSEMBLE & CHOIR
19/07/19  -  Y6 LEAVERS ASSEMBLY
19/07/19  -  LAST DAY OF ACADEMIC YEAR

**JUST A LITTLE REMINDER AGAIN.....**

**FINAL REMINDER FROM EALING COUNCIL:**

FROM 22ND APRIL THE GRACE PERIOD OF 10 MINUTES FREE PARKING IN RESIDENT BAYS HAS BEEN LIFTED. PLEASE BE MINDFUL OF THIS WHEN PARKING TO DROP OR COLLECT CHILDREN AT THE BEATRICE ROAD ENTRANCE.

This arrangement came into effect on 23rd April. Warning letters will be issued for the first two weeks.

**BEWARE.....Tickets (penalty charge notice (PCN) have started to be issued from 7th May for any parking contraventions.**

---

**Tuti Ensemble Magic**

Our Ensemble guitarists performed in front of an audience in a “Tutti” a Schools Orchestra Extravaganza at the Ealing Christian Centre, last week. The Tuti concert was a fantastic opportunity for the ensemble to perform in front of an audience as well as watch other ensemble groups perform. And the children performed very well. A video of the event will shortly be loaded onto the school website.

"On Wednesday 3rd of July we had a wonderful concert organised by the Ealing Music Service with a lot of schools getting involved. It was lovely seeing the two Guitar Ensembles from Hambridge & Fielding Primary School combined in this amazing performance for the first time. All the pupils did a fantastic job and all of their abilities were at a high standard. Well done! "

Ms Laura Lopez (Guitar teacher)

**This school is an inclusive community that welcomes and supports pupils with medical conditions so that they can play a full and active role in all aspects of school life, remain as healthy as possible and achieve their academic potential. Please refer to our “Supporting pupils with Medical Conditions” policy which can be accessed from our school website, for more details.**
It has been another busy year of sport and PE at Hambrough. The year started with Tag Rugby, Boys Football and Boccia competitions. All our teams made progress throughout, however faced tough opposition in the later stages of some competitions.

In the spring term, Hambrough was represented in a range of competitions including, Boys Football, New Age Kurling and Hockey. Our Hockey A team managed to provide a major upset in our group when beating an extremely tough group and managed to make it all the way to the semi-finals before being stopped by the eventual winners. The Hockey B and C team did just as well in their own festivals where both teams ran out winners in the festivals. New Age Kurling proved to be a success with one of our teams bringing home a 3rd place medal.

During the summer term, we were well represented at Basketball, Cricket, Tri-golf and Athletics. Basketball was a new competition for our school which proved to be a success with our A team coming out in 1st place and our B team in 3rd place; they were only separated by 2 points! Our Cricket and Tri-golf teams represented our school fantastically while gaining a 4th place finish in each competition.

This year, Athletics has been one of our strongest sports and results clearly showed this in our Southall Area Sports competition where we had a number of high place finishes: Sukhpyar Singh 2nd place 80m sprint; Abib Hossain 3rd place 80m sprint; Sachin Ramesh 5th place 80m sprint; Elodie Renault 3rd place 600m; Falvio Bela 3rd place 600m sprint; Nikilan Narenthiran 5th place 600m and our Year 6 boys (Sukhpyar Singh, Nikilan Narenthiran, Sameer Kanji and Abib Hussain) gaining 2nd place in 4x75m relay race. We are hoping these results will be similar in our last competition of the year for Outdoor Athletics where we will be going up against all primary schools in Ealing.

At school, we have just completed a very successful sports day for key stage 1 and 2 which was enjoyed by all who attended and took part. I would like to say a big thank you to all the parents who supported our Sports days and to those who came to assist at Southall Athletics. In addition to all the sporting events, Hambrought has been successfully running a number of after school clubs including Multi-sports, Gym, Netball, Basketball, Cricket, Football and Hockey.

During lunch time, our 5 and 6 play leaders have been working with the children in key stage 1 and 2 to play games and develop their skills. We have also had a great Change for Life club led by the year three and four children to take part in physical activity and games. Also, one major improvement in developing children’s leadership skills has been to allow all children to take the lead in part of a PE lesson in KS2 – this has shown rewards in other areas of their life not just in PE.

I would also like to share with you one last success, Hambrough Primary School has gained a Gold in the Schools Games Mark – a first time achievement for us! This would not have been achieved without the hard work of all the children and staff. Thank you parents for helping and encouraging our children to always achieve better in PE. I hope you all have a wonderful summer and good luck to our Year 6’s who will moving on to High School this September and hopefully will continue with their sporting pursuits. Good Luck!

Mr R Gill

AN ENRICHED CURRICULUM & VOLUNTARY CONTRIBUTIONS

As you are all aware, Schools are under more and more financial constraints these days and in order to continue to provide an enriched curriculum to all children we are increasingly asking for contributions from parents. We ask for voluntary contributions to fund activities during school hours and educational outings which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include trips, visits, and activities such as workshops.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. However, if the school is unable to raise enough funds for an activity or visit then it may be cancelled.

Please support in continuing to enrich the curriculum.

---

Summer Shopping List

- Tinned Meat & Fish
- Tinned Soup
- Tinned Fruit
- Long Life Fruit Juice & Squash – 1 litre
- Jam & Peanut Butter
- Rice – 0.5kg / 1kg
- Tinned Kidney Beans & Chick Peas
- Tinned Custard & Rice Pudding
- Potatoes – instant & Tinned
- Shaving Foam & Razors
- Size 3 Nappies

Thank you!

---

Our last (April 2019) donation to Ealing Food Bank was 59.25kg worth of food! “A big thank you to all who donated to the Ealing Food Bank last term; 59.25kg. Please remember that only small sizes are able to be used by the Food Bank – no large bags!!

---

AN ENRICHED CURRICULUM & VOLUNTARY CONTRIBUTIONS

As you are all aware, Schools are under more and more financial constraints these days and in order to continue to provide an enriched curriculum to all children we are increasingly asking for contributions from parents. We ask for voluntary contributions to fund activities during school hours and educational outings which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include trips, visits, and activities such as workshops.

YouTube is a video sharing site/application that enables you to upload, view, rate, share and comment on a wide variety of videos. Consisting of a huge repository of information, advice and entertainment, YouTube now has 1.8 billion logged-in monthly users who watch a billion hours of video daily. Most of the content on Google-owned YouTube is uploaded by individuals, but organisations and media companies also offer some of their content via this platform.

What parents need to know about YouTube

SPENDING A PREMIUM

YouTube Premium (previously YouTube Red) is a new paid streaming subscription service in the UK, offering a three-month trial for free. This includes all the features of the YouTube app itself. If you purchase a subscription to YouTube, you may later regret it for the enjoyment of the many hours of content you have stored. There is also a risk that you will receive harmful or offensive comments regarding the type of content, but also comment on its appearance. YouTube comment sections are infamous for being some of the most toxic online.

SHARING VIDEOS

As well as watching videos, many children are shown their own videos online, emailing their YouTube handles, such as Stampy or DocClik. However, if your child does not watch the videos, they may later regret it for the enjoyment of the many hours of content you have stored. There is also a risk that you will receive harmful or offensive comments regarding the type of content, but also comment on its appearance. YouTube comment sections are infamous for being some of the most toxic online.

IN-APP MESSAGING

When your child is logged in, on a smartphone or tablet, they can share and talk about videos with their friends using the chat bubble. This can be found at the bottom right of the devid. As long as they are not using a smartphone or tablet, when they tap on the 'Chat' tab, they will have a list of suggested people from their contacts. This can be used for contact and conversation, with others who have the same phone and mobile that you have stored.

AGE-INAPPROPRIATE VIDEOS

As YouTube is the largest video sharing site in the world, there is content available for all ages, meaning that some content will not be appropriate for your child. If you think that content is unsuitable, you can report it to YouTube staff, but you will need to be aware that even if it is reported, it will not be removed.

Top Tips for Parents

TURN ON ‘RESTRICTED’ MODE

Restricted Mode is an optional setting you can use to help protect your child from potentially harmful content. You must access your YouTube account to lock your child’s device, and if you want to turn off the feature, you must access the YouTube app and unlock your child’s device.

MOBILE:

- Tap the three vertical dots at the top right of the screen and press, ‘Restrict.’
- Click on ‘Restrict Mode’.
- Press ‘Unlock’.

Please note that you cannot lock ‘restricted mode’ on your phone in the same way that you can on a desktop. You will need to turn this on each time your child uses it.

CREATE A FAMILY GOOGLE ACCOUNT

By creating a shared account, you can make sure that the family can keep their content safe in the future. Simply share your account details with your children, so they can search for the content and the people you have stored. It also allows you to change your account details, so you can check their settings on YouTube.

DIGITAL WELLBEING

YouTube has launched a new ‘Digital Wellbeing’ tool that allows you to see how much has been spent on the platform. Once you have discovered how much time your child has spent online, there is an option to set a time limit. Once the limit is reached, a countdown will appear to the screen. You can also disable sounds and vibrations to help distract the urge to check for new messages.

SUMMER OF CYCLING

JOIN US FOR A CELEBRATION OF CYCLING

Funky cycle try out zone
BMX taster sessions & balance bike races
Free Dr Bike & security marking
Pedal powered cinema & smoothie maker
Live music
Giant inflatable obstacle course for all ages
Rollapaluza
Kids activities & face painting

TICKET TO RIDE
Fun, family-friendly led rides exploring local beautiful landscapes and green spaces. All abilities welcome. Rides leave every hour on the hour. No need to register, but do turn up at least 20 minutes before for a quick safety check.

We are a zero-waste festival - please be sure to bring your own reusable water bottle and pack your picnic in reusable or recyclable containers. Water stations will be available on site for refills.

Visit www.ealing.gov.uk/summerofcycling for details of all our summer bike rides and cycling events.
SUMMER OF CYCLING

Sunday 7 July, 10am to 3pm, Northala Fields, Northolt.

Sunday 14 July, 10am to 3pm, Pitshanger Park, Pitshanger.

Free festival with live entertainment, a pedal powered cinema and smoothie maker, kids’ activities, face painting, BMX and balance bikes, a giant inflatable obstacle course, Rollapaluza and a picnic area. Plus fun, family-friendly led rides departing every hour. All abilities welcome.

SUMMER OF CYCLING SCHOOL COMPETITION

We are giving one Primary and one Secondary School registered on the TfL STARS accreditation scheme the chance to win a BMX Flatlander Stunt show to enjoy!

The Primary and Secondary School with the greatest attendance across both festival days will win.

To enter all you have to do is come along to one of the Summer of Cycling Festivals and make sure you register your attendance at the signposted desk.

You can only enter the competition once across the two events, so make sure your friends and family attend to increase your chances!

*Please note in order to qualify a minimum of 5% of the school’s enrolment intake has to attend the festivities. The school with the greatest attendance relative to their enrolment number once the minimum threshold has been met will win.

Visit www.ealing.gov.uk/summerofcycling to find out more about the competition.
Southall Community Sports Day

Southall Community Alliance invites you to our fun packed Community Sports Day at Spikes Bridge Park on Saturday 6th July 2019.

Come and join in our FREE fun activities, learn how to stay healthy and reduce the risk of diabetes and ill health through lifestyle changes. Activities during the day will include:

- Southall schools fun run
- Healthy living stalls, including ‘Let’s Go Southall’ stall
- Face painting & henna
- Community 6-a-side football
- Health checks
- Pungra Dancing
- Free raffle prize draw
- Yoga, running, health walks, tug-of-war.... much, much more!

Saturday 6th July 2019
Spikes Bridge Park, West Avenue, Southall UB1 2AR
10:00am - 3:00pm

For further information contact Janpal Basran on 07958 499222 or janpal1967@hotmail.com

Let's Keep Southall Healthy!
