Health Fair Day

Article 24

You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

Health Fair 2017 gave an opportunity to Hambrough community to explore and understand the importance of diet and exercise, and to reflect how they can maintain healthy habits in their daily life. All key stages (EYFS, key stage 1 and 2) had the opportunity to take part in a variety of different activities linked to the various aspects of healthy living through a carousel of fun activities delivered by each class.

As well as extending their knowledge the children had a chance to reflect on global goal 3 and article 24. At the end of this day, each year group created their own thought on the day, chose favourite activities and voiced their reasons for their choices. After school parents and children were invited to enjoy songs learned, taste healthy sandwiches and fruit kebabs and take part in quizzes, physical games and the tombola draw.

The donation raised from the Health Fair, will be allocated for next year's celebration of Health.

Students making healthy salads.

Students performing, a song on dental hygiene, to parents.

Students participating in Gaelic football.

Art and Spanish Week

Article 17: You have the right to get information that is to your well-being, from radio, newspapers, books, computers and other sources. Adults should make sure that information you are getting is not harmful, helps you find and understand the information you need.

Article 13: You have a right to find out things and share what you think with others, by talking, drawing, writing and in any other way unless it harms or offends other people.

This term we celebrated Spanish culture day by combining Art and Spanish subjects. Each year group had to choose an Hispanic artist and the whole week the teachers and students dedicated time to learn about the artist's life, their work, and created a piece of art work in the style of the artist. In Spanish lessons, the students learnt different games in Spanish and in a special assembly they enjoyed watching a Spanish animated movie with English subtitles.

In some year groups it was also an opportunity for pupils to reflect and explore Global Goal 13- Climate actions, as well as RRSA Article 13 by creating sculptures out of recycled materials.

Children Learning games with Spanish Teacher.

Children making Hispanic clay masks in Spanish week.

Year 5 children making clay masks.

Year 5 children learning new games in Spanish week.

Y1 children made sculptures from recycled boxes inspired by sculptor Marisol Escobar.

Walk to school week

Article 27

All children have the right to food, clothing, a safe place to live and to have their basic needs met. They should not be disadvantaged so that they can't do many of the things other kids can do.

Article 24

All children have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

During the week of 15th May to the 19th of May, the school participated in Walk to school Week. Each morning, a lead teacher, staff, children and parents walked 6 laps of the playground, which represented 1 mile, in order to cover the distance from Southall to Brighton.

During the week, the school also held events like Happy Shoes Day, wherein the children donated £1.00 and came to school in shoes of their choice. The money raised throughout this event was donated to Living Streets charity. Apart from that, the school counselors, along with staff, gave patrol duty outside the school, guiding and advising the parents not to park their cars outside the school gates.

What about the future?

You will be pleased that we are being assessed for

Level 2 accreditation

On Wednesday 19th July 2017

Wish us luck!

Can we help you?

You can contact Mrs Singleton, Mrs Clark, Mrs Oza or ask the children for more information about Rights Respecting, or you can look at: <http://www.unicef.org.uk/rrsa>

Thank you again to everyone for your support and donations!

Our Journey so far...

Please check your Summer food donation list and continue to donate.
