20th April 2018

Dear Parents/Carers,

Safety and Security updates

WELCOME BACK TO A BRIGHT, SUNNY WARM SUMMER TERM!

As you will be aware the school has undergone some site changes over the Easter holiday. Playground areas are in the first phase of redevelopment creating more space for the children to access as well as improved parking provision for staff and visitors. Both these aspects have significantly increased health and safety requirements for all concerned.

There have also been additional security measures introduced to the main school entrance doors again offering greater protection for pupils, staff and visitors. On approach to the front entrance please buzz the office who will allow you access to the front desk where you will be welcomed and any needs addressed. Exit will also be provided by secure door release. Cameras are in use to identify those approaching school.

All of these measures are designed to ensure the safeguarding of your children and of staff and visitors. Please help us to maintain this secure environment by being patient and adhering to requests from the office staff.

Doors should not be adjusted or tampered with under any circumstance.

Whilst I appreciate there may be some time needed to get used to these new arrangements I know that you will understand and support their introduction.

Regards

Yours sincerely,
Mrs L. Singleton

RRSA Article 19: You have the right to be protected from being hurt or mistreated in body or mind.

LOCK DOWN POLICY & PROCEDURES

The school has adopted a "Lock Down Policy" in line with Local Authority's guidelines. The policy is available on the school's website for consultation till 27th April 2018. If you wish to make any comments, please do so in writing by email to admin@hambrough.ealing.sch.uk

In a couple of week's time, we will be talking to children and explaining the procedures and will also hold a drill – more information to parents will follow in due course.
