Dear Parents/ Carers,

As a result of recent changes to the government advice and guidance on children and family members with symptoms of COVID-19 virus you may find that your child and/or family member have to self-isolate for 14 days, please see below useful website links to support your child’s learning at home during this period.

All password for the school’s accounts are in back of your child’s reading record books. If you experience any difficulties accessing your accounts, please contact your class teacher via DB Primary or send an email to admin@hambrough.ealing.sch.uk

**Active Learn** - [www.activelearnprimary.co.uk/login](http://www.activelearnprimary.co.uk/login)
Access to Bug Club and Abacus resources can be found in the ‘my stuff’ section of your child’s Active Learn account. ‘My Library’ holds all the previous books and maths activities that your child has accessed before. Remember they can always re read and play them again.

**Bug Club** – books will be allocated by the teachers. Please ensure that your child reads each book and answers the questions by clicking on the ‘bug’ icon. Remember repetition is a good thing so encourage your child to read the books more than once. Younger children can have the books read to them by clicking on the ‘read to me’ icon at the bottom of each page.

**Abacus** – Maths games will be allocated by the teachers.

**Mathletics** - [https://login.mathletics.com](https://login.mathletics.com)
